~~For~~ For que. 1 and 2 there are 3 and 4 options to answer respectively, but it's not clear

1. Is it checkbox

2. or radio button

que 4. the question pattern shows that the interviewer/surveyor ~~confirm~~ is confirm about the residence.

que 5: shows an unclear statement about the year of residence in Dhaka. Two options merged together.

que 7: This is a very long answer so the user may feel cognitive overload and skip the question.

que: 10: Does this question carries any significance?

que: 14: which tool (sounds good)
